## **II. OTHER BUSINESS**

**2025 Historic Preservation Goals** – Staff and the HDC will review the historic preservation goals as part of completing the 2024 CLG Annual Report. The previous year’s goals included:

- Increase awareness of Muskegon's local historic districts within the community through mailings to property owners within the districts containing info on HDC procedures.
- Public outreach using initial list of locally significant resources to verify or update that list.
- Apply for an identification project through the [SHPO Community Partnership Program](#).
- Consider further survey work tied to sites identified in the [Muskegon County Civil Rights survey project](#).

The following questions are also included in the 2024 report:

- What is one thing you would like the new CLG coordinator to understand about your community and local preservation activities/needs?
- What accomplishment/achievement/event from 2024 is your HDC most proud of? Or is there a preservation success story from your community that you would like to highlight?
- Describe any problems, issues, or challenges (e.g., economic, political, operational) encountered in the local preservation program in 2024.
- What are the most critical preservation issues/needs facing your community?
